Senate Resolution 1166

By: Senators Staton of the 18th, Rogers of the 21st, Douglas of the 17th and Heath of the 31st

ADOPTED SENATE

A RESOLUTION

- 1 To create the Senate Public and Legal Notices Study Committee; and for other purposes.
- 2 WHEREAS, for many years, the State of Georgia has utilized newspapers as its primary
- 3 means of providing the public with notice of governmental actions and legal matters; and
- 4 WHEREAS, in today's electronic age, the Internet is increasingly becoming the medium by
- 5 which most people obtain information on a variety of topics including current events and
- 6 government; and
- 7 WHEREAS, the subscriber base for many newspapers is decreasing in favor of other media
- 8 for information distribution; and
- 9 WHEREAS, the posting of notices of governmental action and notices of legal matters is a
- 10 matter of no small significance in that such postings constitute notice to all persons of the
- 11 contents of such notices and the failure of a person actually to view such notices is not a
- defense to the giving of such notice under the law; and
- WHEREAS, the posting of such notices fixes certain legal rights and responsibilities and has
- 14 a significant legal result on the positions of individuals; and
- 15 WHEREAS, in light of the importance placed on public and legal notices in informing the
- 16 public of governmental actions and legal matters, a study of the manner of giving such
- 17 notices is needed.
- 18 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that there is created the Senate
- 19 Public and Legal Notices Study Committee to be composed of five members of the Senate
- 20 appointed by the Lieutenant Governor. The Lieutenant Governor shall designate one of the
